Dear Fellow Chamber Members;

What a summer! Ships, Trains and Planes!!
So many things have happened since June it is hard to list everything.

First Tall Ships---5 this year with next year looking even better. Trains---first passenger train in over 50 years! WOW! Planes---After a long struggle the money is available for the Airport expansion. North Bend Jubilee---101 years and still going strong. Bandon Dunes---now with THREE world class courses. So many good things not enough space. Our Ambassadors really deserve a big pat on the back for all the effort they put in this Summer. Whoops! Almost forgot the Lumberjack Festival. What a great show! All of these positives show what a community can do by working together.

All of these good things would not have happened without literally thousands of hours of effort by hundreds of volunteers. We also must remember our local businesses that have stepped forward with financial support. To each and every one of you who made a difference THANK YOU!! See you in the funny papers.

Your President, *Dick Leshley*

Our Ancestors would be proud. During the summer of 2005 the Bay Area hosted 500 passengers from a vintage train, 5 Tall Ships and crew, plus numerous private jets at our Airport. Thanks Bay Area and to all the wonderful volunteers and businesses who worked so hard to make all this possible. Photos by RC Hall & Connie Boddie

Positivity! Make it so!

It's that time again, for your opportunity to advertise in the Bay Area Chamber of Commerce Business Profile.

Last year's profiles were used even more than ever before. They are in the local motel rooms, are sent to those requesting relocation information, used by our medical community to entice medical professionals to the Bay Area and so on. 500 were mailed to our visitors on the vintage train. All of last years editions will soon be gone to folks that see your ads and know where to find you and your product. **And once again there will be no increase in the rates.** So when Jeanette calls you for an appointment, Just say
